

*Anyone ever tell you that
you're a GEM?*

Announcing....

GEMS

Giving **E**very **M**onth **S**upporter

The National Aphasia Association's newly named
donation sustainer program!

Tell me more...

The **National Aphasia Association, Inc. (NAA)** is a nonprofit organization providing support, education, resources and access to research for those with aphasia and their families. Our efforts to advocate are funded primarily through personal contributions. Our **GEMS** program recognizes those individuals who make a recurring donation (i.e. monthly). Knowing we can rely on your gift every month makes it easier for us to plan and allows the NAA to expand services to the aphasia community.
